For the Children this Christmas

We would like to thank those who have given to Chikondi's Christmas fundraiser so far; because of your generous donations we've raised the \$680 needed to purchase a new range for the orphanage. Zikomo (Thank you)!

We hope to keep going and raise \$1500 to provide the children and staff with Christmas dinner, a small gift for each of the children, and a small thank you bonus for our staff members in Blantyre, Malawi who love, care for, and teach the children. To join us in giving this Christmas you can donate through either our website www.chikondiorphanage.org or our YouCaring page at www.youcaring.com.

Meet Pamperdo, One of Chikondi's Children

Pamperdo is a sweet, quiet, and shy boy who comes from a large family that is unable to support him. His father has died, his mom is alive, but is very sick, and Pamperdo deals with medical issues too. When he arrived at the orphanage he was sick so he has been under the care of Chikondi board member and physician Dr. Jean Baptise. Without donations to buy the medication he needs twice a day Pamperdo would not survive. He attends school in town as well as at the orphanage for extra tutoring and recently his grades and spirits have improved. When he's not busy learning Pamperdo can be found serving food, making beds and playing with the kids kicking around a homemade soccer ball.

On the Team: You

You, all our wonderful sponsors and supporters, are an important member on the Chikondi team as you make all the work we do possible. We would like to take this opportunity to thank you for all that you made possible over the last year. Because of your continued support 13 children were able to live in a loving and safe home, eat good food and have access to clean water, medical care and an education. You've helped two young men with school fees so they can pursue post-secondary education. You've provided a wage to our staff in Malawi that supports themselves and their families. You've helped to break the cycle of poverty that so many in this impoverished county find themselves stuck in. You've helped with your time and your efforts to get Chikondi one step closer to achieving our long term goal of creating a self-sustaining community in Malawi. You've made a tangible difference and created change for the better in 2015 and we hope you will continue to support us and make 2016 our best year yet! Zikomo!
